TRAKAID
RFID enabled smart tracking
**CYLINDER TRACKING
SOLUTION**

Manually 100 Cylinders take approximately 120 minutes to find, read, write and then read again to enter into your database. With **TRAKAID RFID Solutions** the same quantity of Cylinders can be scanned(Read) and Synced (enter into your database) in **10 Minutes**.

TRAKAID RFID TAGS are a simple Mantra to **SAVE TIME, MONEY & YOUR ASSETS**.
